

ProSpeed™/MC

Floor Finish Applicator System

An integrated system that delivers a more consistent appearance, improved productivity and virtually eliminates product waste

Increase Productivity

- Dramatically reduces set-up and clean-up times
- Faster application time to apply finish

Increase Quality Results

- Easy training
- Consistent application

Cost Savings

- Reduces chemical usage
- Reduces labor cost

Safe & Easy To Use

- No contact with finish, no components to clean
- Ergonomic design reduces user fatigue

Sustainable System For The Environment

- Saves water as no clean-up is required
- Reduces waste of finish and packaging
- Contributes to increased indoor air quality

Designed For

BUILDING SERVICE CONTRACTORS
HEALTHCARE
EDUCATION
RETAIL

Use Overview:

ProSpeed™/MC Floor Finish Applicator System simplifies the process of applying floor finish with an ergonomic application tool, a simple delivery system for the finish, a 2.5 liter BIB (Bag-in-Box) of finish and an applicator pad.

Diversey offers a comprehensive line of products for **ProSpeed™/MC** system. Please see chart below.

Each case of floor finish comes with six BIBs, four pads and six connector tubes.
