- Can be used on all water-safe fabrics

Tough

- Powerful formula to handle tough organic spots

Convenient and Cost Effective

- Available in ready-to-use quarts

Designed For

RETAIL STORES
HEALTHCARE
OFFICE
GOVERNMENT
EDUCATION

Use Overview:

Protein Spotter is a surfactant-based spotter designed to remove organic spots, including vomit and urine from most water-safe carpets and upholstery. If being used for the first time, test for color fastness in an inconspicuous area before use.

- Apply **Protein Spotter** with direct stream to thoroughly dampen spot.
- Agitate with a scraper, working from the outside in to keep the spot from spreading.
- Allow spotter to work for 5–10 minutes.
- Extract or rinse with water and blot dry.

Product Specifications:

Color/Form	Green liquid
Flash Point	None
pH	9.5–10.0

Scent	Ammonia
Shelf Life	1 year

One convenient size:

PRODUCT CODE	DESCRIPTION/PACKAGE SIZE	DILUTION
5002611	6 x 32 oz. / 946 mL Containers	Ready-To-Use

Hazard Rating:

HMIS		NFPA
1	Health	1
0	Flammability	0
0	Reactivity	0

4=Very High; 3=High; 2=Moderate; 1=Slight; 0=Insignificant.

Safety Reminder:

Please make sure your employees read and understand the product label and Material Safety Data Sheet before using this product. The label contains directions for use, and both the label and MSDS contain hazard warnings, precautionary statements and first aid procedures. MSDSs are available online at www.johnsondiversey.com or by calling 1-800-558-2332.
