

Radiance™

Freezer Cleaner

DESCRIPTION

This product is a unique blend of solvents and surfactants that effectively loosens all types of organic soils from freezer walls, floors, ceilings, and shelving. Effective on grease, fats, oils, food deposits, grime, and all freezer soils. When used as directed, it allows for easy removal of soils without freezing.

DIRECTIONS

Do not dilute product. Apply liberally by brushing, spraying, or mopping. Allow a few minutes penetration time. Scrub as required to loosen difficult soil. Remove product and soil with squeegee, mop, or sponge. Do not use water.
