

Radiance™

Enzyme Carpet Spotter *Bacterial Carpet and Fiber Deodorant*

DESCRIPTION

This unique product is a bacterial carpet and fiber deodorant and pre-spot that removes the source of odors and stains in one cleaning application. Its bacteria and enzymes break down and consume the odors and stains permanently so they will not return. After your cleaning job is done, it continues to work on organic soils that have penetrated deep into the carpet and fiber backing. This product is excellent on pet odors, milk stains, vomit, urine, feces, grease, food, wine, and all organic soils.

DIRECTIONS

CARPET: Pretest an inconspicuous area of the carpet to determine colorfastness of the material. Spray product directly onto spot. Agitate with a bone scraper. Blot with a clean white towel. Rinse thoroughly with water and blot dry.

GENERAL DEODORIZING: Use 1 - 4 oz. of product per gallon of water.

AS AN ADDITIVE TO OTHER CLEANING SOLUTIONS: Use 1 - 2 oz. of product per gallon of cleaning solution.

BATHROOMS: Use 4 - 6 oz. of product per gallon of water.

TRASH RECEPTACLES: Use 8 - 16 oz. of product per gallon of water.

HEAVY DIRECT ODORS: Use 32 oz. of product per gallon of water.

DRAIN LINE MAINTENANCE: Pour 4 oz. of product into drain lines twice per week.

GREASE TRAP MAINTENANCE: Pour 6 oz. of product daily down main drain closest to trap. For heavy grease load, use 16 oz. daily.

APPLICATIONS

Ideal for:

- Pet odors (i.e. urine, feces or vomit)
- Stains (i.e. milk, food, wine)
- Grease and organic soils

BENEFITS

- Special blend of inorganics
