

# Radiance™

## Oven and Grill Cleaner

### DESCRIPTION

This product is the least expensive kitchen helper you will ever hire! Making short work of those hard cleaning jobs, this product goes to work immediately dissolving oil, grease... even baked-on carbon. Great for de-carbonizing cooking utensils, this product is ready-to-use, no mixing of harsh or dangerous chemicals. This product's thick, rich foam stays where you spray it, allowing this outstanding cleaning chemical the time needed to break down even the worst soils. Convenient and easy to use, just pop a foaming trigger sprayer into a quart and you are ready to go!

### DIRECTIONS

Read entire container label before using this product

**IMPORTANT:** Not recommended for aluminum or other soft metals.

- Wear the proper safety protection equipment (i.e. goggles and gloves) when using this product.
- Remove loose encrustations by scraping.
- Spray product directly on the surfaces to be cleaned.
- Allow product to sit on surfaces for 10-15 minutes.
- Wipe off thoroughly.
- Rinse with potable water.

**FOR CARBONIZING COOKING UTENSILS AND STUBBORN STAINS:**

Allow product to sit for as long as possible.

### FIRST AID

Have the product container or label with you when calling a physician or when going for treatment.

**IF IN EYES:** Immediately flush eyes with plenty of water for at least 15 minutes. If easy to do, remove contact lenses after 5 minutes, if worn. Get medical attention if irritation develops and persists.

**IF ON SKIN:** Immediately flush skin with soap and water. Call a physician if irritation develops and persists. Remove contaminated clothing and wash before reuse.

**IF SWALLOWED:** Call a physician immediately. Do NOT induce vomiting unless directed to do so by qualified medical personnel. Never give anything by mouth to an unconscious person.

### APPLICATIONS

Ideal for:

- Removing heavily carbonized soils from cooking equipment

### BENEFITS

- Powerful formula
- Clings to vertical surfaces
- No noxious, choking fumes
- Aggressive against grease, oil, and highly carbonized soils
