

# Radiance™

## High Gloss 22

### 22% Urethane Fortified Floor Finish

#### DESCRIPTION

This product is designed for heavy traffic areas such as supermarkets, retail, and institutional settings on all types of resilient flooring. Unique water based urethane emulsion gives a superior wet look gloss with superb detergent resistance and durability. Contains *UFW™ Technology* to prevent discoloration and dirt penetration to stay looking clean longer, extending the period between stripping cycles.

#### DIRECTIONS

1. Strip floor entirely of old finish using one of our recommended floor strippers.
2. Apply finish using a clean finish mop or applicator. Apply 3 to 7 coats per application. Allow 30 - 45 minutes after each coat for finish to dry completely before recoating.
3. Allow at least 2 hours after final coat dries before burnishing (**NOTE:** It is always recommended to wait 24 hours before burnishing; however, this product can be burnished 2 hours after product dries).
4. Maintain floor by dust mopping and spot mopping as needed.
5. Auto scrub with our recommended floor cleaner using a red pad before burnishing.
6. Periodically deep scrub with our recommended floor cleaner and a blue pad before recoating.

**FOR USE ON HARD SURFACES SUCH AS CONCRETE, TERRAZZO, MARBLE, OR GRANITE:** It is recommended that two coats of sealer be applied to surface to seal floor properly. Follow with 3 - 5 coats of finish. Burnish and maintain as normal.

#### RECOMMENDED BURNISH PADS:

Americo Combo Lite, ETC Gorilla, Glit Joey Polish, Microtron White Polish, 3M White Polish, Triple S White.

**KEEP FROM FREEZING**

#### APPLICATIONS

Recommended for areas with daily maintenance desired:

- Contract cleaners
- Supermarkets
- Retail

#### BENEFITS

- Balances price with performance
- Durable
- Good off-the-mop gloss
- Easy to maintain
